

Max Jourdan

Max Jourdan joins the Plastiki crew as filmmaker for National Geographic with Renegade Films.

Graduating from Sussex University with a BA Honours in English and French Max went on to study for a Master of Arts in Photography at the Royal College of Art, London.

Prior to the Plastiki expedition Max has worked on many groundbreaking and thought provoking documentaries. Often travelling all over the globe Max works through his own production company (Max Jourdan Productions Ltd) and with broadcasters such as National Geographic, Discovery, BBC, ITV, Channel 4, Channel 5, Al Jazeera and Arte to name a few.

Currently Max has two other feature documentaries in production and has previously undertaken the roles of self shooting producer, director, presenter, filmmaker and photographer finding great success in each sphere.

Favoured formats include HD, DigiBeta, HDVcam & 16mm formats.

Max lives in London with his wife and daughter.
